

“Everyone has potential. Everyone can be the best they can be”.

Dear Parents,

CURRICULUM

Our main aims over the next coming weeks are:

English

Grade 3 will be moving onto Explanation and Persuasion within Non-fiction texts. Advertisements/Letters will be 2 areas of this topic we will be focusing on. They will need to understand the main features of non-fiction texts and will be creating their own piece of persuasive work.

Maths

Grade 3 will finish looking at the 'Perimeter and Area' of 2D shapes, in particular rectangles before moving onto data handling. Throughout '**Data Handling**' they will need to collect data and find ways of organise, present and interpret data in tables, diagrams, tally charts, frequency tables, pictograms and bar charts.

They will learn about Venn and Carroll Diagrams to help them differentiate their results.

Science

Solids, Liquids & Gases:

The children will understand the difference between a solid, liquid and a gas. They will learn that it is easy to change from one matter to another when they are either heated or cooled.

Sound:

The children will be investigating all about the Sound. How a sound is created from vibrations and how those vibrations create different sounds when travelling to the ear.

Understand the term 'pitch' and investigate the way pitch describes how high or low a sound is and that high and low sounds can be loud or soft.

Computing

In coding, students will learn to

1. Create, explain, debug programs using techniques - sequencing, looping, event controlled coding and selection.

How can you help?

Reading, reading, and more reading!

Please support your child's home reading by encouraging him/her to read a variety of print materials, from books to brochures, posters, lists, etc.

Continue to help your child practice reading and spelling the first 100 and 200 high-frequency words. Also, here are some useful websites which you can use at home:

Another plea!

It is lovely to see our children looking so smart in their uniform but we have noticed a couple of cases of incorrect footwear and uniform. Please remember that children should be wearing the correct uniform — if you have any doubts what this should be— please take a look at the school diary/ website for information.

Thank you in advance for your continuing support and co-operation.

Kind regards,
Mr Thomas
