

**GARDEN CITY
BRITISH SCHOOL**

“Everyone has potential. Everyone can be the best they can be”.

Dear Parents,

In the next couple of weeks the students will be busy as we cover the learning of different subjects.

Our main aims over the next coming weeks are:

English

This month we will be exploring Nouns, both proper and common nouns. Verbs will be introduced.

We will be discussing different short stories and poems.

We will be also be discussing different types of letters, formal and informal. Students will spend time in writing a letter to their dear ones.

Maths

We will be practicing multiplication facts with 100.

We will start to practice division of two digit numbers and three digit numbers.

We will inquire about Factors and multiples.

Science

In Science our inquiry will based on the Plants topic

Discuss if plants are living things and what characteristics makes it living thing: Knowing that plants need energy from light for growth.

We will be learning about plants (scientific background).

In this topic we will also be investigating on leaves and different plant life.

In addition to this we will investigate how plants grow in our native country and what are the plants commonly found in our native country and the UAE.

Computing

In December, our target is to learn about designing and creating movies. By the end of this unit, students will learn how to

- Plan a film and arrange video clips using a storyboard
- Edit video clips and put them together to make a film
- Add music to film
- Add effects, titles to the film.

French

This month we will learn :

Les couleurs (rouge-rose- vert-blanc-noir.....)

Les pronoms personnels(Je-Tu-Il-Elle-Nous -Vous -Ils-Elles) .

Art

Our main aims over the next four weeks:

- Create a modular art (class project)
- develop skills in assembling, cutting, and sticking to create work from a variety of found resources about plants
- have opportunities to work in a variety of processes which could include:
 - drawing, exploring diverse techniques such as symmetry and grid techniques;
 - drawing pictures of plants, flowers, and nature;
 - Make a one-point perspective city scape or landscape drawing
