

**Curriculum Guide  
June 2018  
KG 2 / Year 1**

***“Everyone has potential. Everyone can be the best they can be.”***

## **English**

We will be writing a recount of an exciting experience or a fun day. We will be learning about time connectives, writing in the first person and writing in chronological order.

We will also get the opportunity to talk about their experiences with the rest of the class.

In phonics, we will continue to revise the sounds and also begin to spell and use tricky words in sentences. We will also continue to read every day at school during guided reading sessions.

## **Maths**

We will continue to explore early multiplication and division. We will learn doubles to at least double 5 and we will begin to recognise multiples of 2 and 10. For division we will look at sharing objects into two equal groups in a context. For problem solving we will explore describing and continuing patterns such as counting on and back in 2's, 5's and 10's.

## **Science**

We will recognise and name the main external body parts.

This will be incorporated in Simon Says and a written activity will be done. We will explore how human senses enable humans and other animals to be aware of the world around them. Since we already discussed the five senses Term 1, this term, a link will be drawn to animals and plants and how they are essential for survival.

## **History and Geography**

We will continue to learn and discuss UAE and British culture/history and geography.

## Arabic

- أن يتعرف الطالب على حرف الواو ( و ) مع الحركات والمدود.
- أن يتعرف الطالب على حرف الياء ( ي ) مع الحركات والمدود.
- أن يقرأ الطالب الكلمات البصرية
