

Curriculum Guide
May 2018
KG 2 / Year 1

“Everyone has potential. Everyone can be the best they can be.”

English

We will continue to learn and revise phonics sounds and words while gradually moving into spelling and using ‘tricky’ words.

Our writing will be based on information texts, specifically recounts. We will be using our memories and experiences in our writing.

Maths

We will begin to explore fractions. We will learn how to find halves of shapes, amounts and numbers before exploring combining halves to make a whole.

Later in the month we will study multiplication and division. We will do this through finding and knowing doubles, recognising multiples of 2 and 10, and by learning how to double any single-digit number.

Science

We will continue to explore how seeds grow into plants. We will learn what plants need to grow. We will be growing seeds and looking after plants till the end of the Term.

History and Geography

We will be learning about landmarks and tourist attractions. We will also be focusing on countries outside of the UAE.

Arabic

- أن يكتب الطالب الحروف الهجائية (ل و م ن ه و)
- أن يكتب الطالب الحروف مع الحركات والمدود
- أن يقرأ الطالب الحروف مع الحركات والمدود.
- أن يستمع الطالب لقصة الحرف.
- أن يقرأ الطالب الكلمات البصرية

- To write the letters (ل, م, ن, ه)
- To write the letters with the short and tall vowels
- To read the letters with the vowels
- To read the high frequency words
- To listen to the story of the letter.

Islamic Studies

- أن يتعرف الطالب على كيفية الوضوء .
- أن يتعرف الطالب على الصوم ..
- أن يتعرف الطالب على كيفية الصلاة .
- أن يكون الطالب قادر على تسميع سورة المسد .
- أن يكون الطالب قادر على تسميع سورة القدر .

To recognize the Meaning of fasting--

To recognize the ablutions wud

To know how to pray

Recite surat -AL- qadr_ AL -masad

Moral Education

We will learn about sharing and caring, friendship and helping others.

Music

We will explore the following this month:

- Fun Songs
- Movement and coordination
- Beat and Pulse (Time)
- Rhymes
- Play tuned percussion; Glockenspiel and Percussion

Art

Our main aims over the next weeks:

Story Illustration

- use folding techniques
- use the concepts of colours, shapes, lines, form, and space
- draw and paint to develop ideas, experiences and imagination.

Aluminum Foil sculpture

- shape aluminum foil to form a shape

Cool and Warm Colours Silhouette Painting

- identify cool colours(blue, green, violet) and warm colours(red, yellow, orange)
- draw a symbol of UAE as silhouette

Pop Art Clock

- make a pop art paper clock with "13" in style of Romero Britto
- use techniques in elements of art and design

PE

This month, we will be able to perform:

- Different locomotor movements (Twist-jump-crawl-Bend-set-Balance)
- 2 Types of folk dancing (UK folk dancing-UAE folk dancing)
- Resource: <https://youtu.be/tBpxTGrK6A>

Computing

In this month we continue working in the core of computing - **Programming (Coding)**.

Students will continue to:

Develop simple **algorithms** for routine tasks.

Students will learn **sequencing** the steps in right order. They will develop the skill to identify and fix if any step put in the wrong order in a given algorithm.

In **programming lessons**, students will learn to:

Solve online maze puzzles by visual programming tools from code.org
