

**Curriculum Guide
February 2018
KG 2 / Year 1**

“Everyone has potential. Everyone can be the best they can be.”

English

KG 2/Year 1 will be learning about the features of non-fiction texts. We will use our learning to create and write our own non-fiction booklet about the national bird. Through this, we will continue to develop our sentence writing.

We will also continue to revise and practice different phonic sounds.

Maths

We will look at data handling. We will explore various methods of sorting and recording data, for example through pictograms, bar graphs, carroll and venn diagrams. We will learn how to read graphs/diagrams and how to extract the data.

Science

We will describe movement of familiar things. We will conduct hands-on experiments on speed. The concept of forces such as push and pull will be introduced. We will be encouraged to make observations on movement such as slowing down, speeding up and changing direction.

History and Geography

In History, we will be exploring other countries and highlighting national identity. We will concentrate on the UAE and also Al Ain in particular this month.

Our Geography will be centred around weather. We should be able to explain or identify extreme weather. We will make contrasts between day and night. We should be able to identify stars, moon, sun, light and all the relevant vocabulary related to the change from day and night.
